Thursday - 4 February 1965

1. [] The Director appeared before the Joint Committee on Atomic Energy. A transcript was taken. See Memorandum for the Record.

2. [] Senator Leverett Saltonstall called and in my absence indicated he was going to call the Director's office which I later learned he did. []

3. [] Representative Clement J. Zablocki (D., Wis.) visited the Agency for breakfast. Present were: DCI, Executive Director-Comptroller, Messrs. William E. Colby, John Richardson, Lawrence R. Houston, John S. Warner and []. Much of the discussion centered on South Vietnam. Zablocki also discussed his views on a joint committee and still insisted that this could be of real service to the Agency. It was indicated to him that there are advantages and disadvantages either way and in any event it is a matter for the Congress to decide. Mr. Zablocki was most appreciative of the breakfast meeting and said he had received considerable information for which he was grateful.
